

The Madison

Chubby Checker

Hey, everybody
Gather round, it's Madison time

Give me a big strong line
Make it look real fine
Gonna Madison now
Baby, if you don't know how
Listen to my call
And get you on the ball
Madison time

Come on, baby
Like, two up, two back
Boss turn, Birdland twice
First that bird, step back over
Rock it back into the Madison
When I say, "Hit it"
Like-a let's "Hit it"
Two up, two back
Boss turn, lookin' good
Birdland twice, one more time
First that bird, step back over
Rock it back into the Madison
Lookin' good

For tonight we'll swing
This cat's a Madison king
The line is nice and strong
Can't catch a single cat wrong
Well, if you dig my call
Then, you're on the ball
Madison time

One more time
Like two up, two back
Into the M, erase it
Gimme an I, got it
Rock it back into the Madison
When I say, "Hit it"
Like-a hit that thing, "Hit it"
Two up, two back
Into the M, swing that song
Erase it
Gimme an I, got it
Rock it back into the Madison
Ah, you're lookin' good, ooh

You're in the Madison groove
Makes you really wanna move
For kids from eight to eighty-three
Just as easy as can be
It's a relaxing dance
That you really prance
The Madison, the Madison, the Madison
The Madison, the Madison, the Madison

Ah, forget it, baby

Just rock, hoo
The Madison
The Madison
