

(We're Gone) Surfin'

Chubby Checker

(Come on, come on
We're gone surfin')

Baby, don't be late today
Don't you make we wait today
'Cause we've got a date today
And the weather's great today

Come on, come on
We're gone surfin'

Girl, we're gonna fly today
'Cause the waves are high today
If a storm goes by today
Gonna shout, "Bonsai" today

Come on, come on
We're gone surfin'

Round and round, and up and down
Give the waves a ride
Racin' for the sandy shore
We're gonna surf, surf side by side (Yeah)

Baby, you're with me today
On the phone we'll seal the day
On a boat from day to day
Makin' history today

Come on, come on
We're gone surfin'

Oh, yeah

Round and round, and up and down
Give the waves a ride
Racin' for the sandy shore
Surf, surf side by side, yeah

Tell your ma, "Don't wait tonight"
Gonna be out late tonight
Gonna celebrate tonight
And the kissin's great tonight

Come on, come on
We're gone surfin'

(Come on) Oh yeah, (come on) woah
(We're gone surfin') We're goin' surfin'
(Come on) Yeah, (come on) woah
(We're gone surfin') Yeah
(Come on, come on)
