

I'm Through With Love

Chuck Berry

I'm through with love, I'll never fall again
Said a dream to love, don't ever call again
For I must have you or no one
That's why I'm through with love

I've locked my heart, I'll keep my feelings there
Yes, I've stocked my heart with an icy Frigidaire
For I mean to care for no one
That's why I'm through with love

You should have told me that you didn't care
You needn't scold me for you had your share
Slaves wrapped around you to hound you and swear
Those deep emotions, devotions to you

I've locked my heart, I'll keep my feelings there
Yes, I've stocked my heart like an icy Frigidaire
For I mean to care for no one
That's why I'm through, yes, I'm through with love
