

# Oh Captain

Chuck Berry

Oh, captain  
You got to pick out ten  
On line of scrimmage  
Six robust in

Gonna rip through the middle  
(You got to pick out ten)  
Hot tail right in  
Oh, captain  
(Six robust in)

Make stick it around  
Make way, gonna pass  
(Hot tail right in)  
Start gaining ground  
Quarterback half tilly  
(Make stick it around)

Gonna make a touchdown  
Oh, captain  
In, tackle and guard  
You gotta go go team

Well, like one more yard  
Gonna hit him  
(In, tackle and guard)  
Hit him, hit him hard

Oh, captain  
(Well, like one more yard)  
Make it stick it around  
They gonna pass  
(Hit him, hit him hard)

Start gaining ground  
Quarterback out Tilly  
(Make it stick it around)  
Ho-ho, touchdown

Oh, captain  
Oh, team, we go hard 'em  
Signor, four-nine  
La Tilly on the double  
Broke down on two  
(Oh, team, we go hard 'em)

Pitch and tossin' trouble  
Oh, captain  
(La Tilly on the double)  
Make it stick it around  
Make way, gonna pass  
(Pitch and tossin' trouble)

Start gaining ground  
Quarterback out Tilly  
(Make it stick it around)  
Ho-ho, touchdown
