School Days

Chuck Berry

Up in the mornin' and out to school The teacher is teachin' the Golden Rule American history and practical math You study' em hard and hopin' to pass Workin' your fingers right down to the bone And the guy behind you won't leave you alone

Ring ring goes the bell The cook in the lunchroom's ready to sell You're lucky if you can find a seat You're fortunate if you have time to eat Back in the classroom open you books Gee but the teacher don't know How mean she looks

Soon as three o'clock rolls around You finally lay your burden down Close up your books, get out of your seat

Down the halls and into the street Up to the corner and 'round the bend Right to the juke joint you go in

Drop the coin right into the slot You gotta hear something that's really hot

With the one you love you're makin' romance All day long you been Wantin' to dance Feelin' the music from head to toe 'Round and 'round and 'round you go

Drop the coin right into the slot You gotta hear something that's really hot

Hail, hail rock'n'roll Deliver me from the days of old Long live rock'n'roll The beat of the drum is loud and bold Rock rock rock'n'roll The feelin' is there body and soul
