

All In My Mind

Chuck Jackson

I think that you don't care,
And it's more than I can bear,
I don't know baby,
Maybe it's all in my mind, all in my mind.

I know that I've been true,
But honey sweetie baby what about you?
I don't know baby,
Maybe it's all in my mind.

We've been going steady so long,
I'd never dream you would ever do me wrong,
I knew I was yours and I thought you were mine,
And that every little thing was so fine.

Whoa darling, I'd hate to see,
Someone else with you other than me,
I don't know baby,
Maybe it's all in my mind, all in my mind
Oh yes, it's all in my mind.
