

The Breaking Point

Chuck Jackson

Where are you?
Why are we apart?
I need you to take away
This pain in my heart
This pain is so bad
It's driving me mad!

I'm at the breaking point
Can't go on this way!
I'm at the breaking point
Can't go on this way!
If you don't hurry back
I'm gonna crack up!
And then, I'm gonna fade away
Daga-da-da (Shaga-da-da)
You know, you know
I'm gonna fade away
Daga-da (Shaga-da-da)

Searching day and night for you
Remembering the magic
Of the love that we knew
Without your caress
There's no happiness!

I'm at the breaking point
Can't go on this way!
I'm at the breaking point
Can't go on this way!
If you don't hurry back

I'm gonna crack up!
And then, I'm gonna fade away
Daga-da (Shaga-da-da)
You know, you know
I'm gonna fade away
Daga-da (Shaga-da-da)
You know, you know
Daga-daga-daga
Daga-daga-daga

Without your caress
There's no happiness!

I'm at the breaking point
Can't go on this way!
I'm at the breaking point
Can't go on this way!
Girl, why don't you come on back
If you don't, I'm gonna crack up!
And then, I'm gonna fade away
Daga-da (Shaga-da-da)
You know, you know
I'm gonna fade away
Daga-da (Shaga-da-da)
I'm gonna, gonna, gonna fade away
Daga-da (Shaga-da-da)

You know, I'm gonna, gonna fade away...
