

Breathe Again

Chuck Loeb

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear I love you now and then
Will I never make love to you once again
Please understand if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again
Breathe again
That I shall never breathe again
Breathe again

And I cant stop thinkin about
About the way things used to be
And I cant stop thinkin about
About the love that you make to me
And I cant get you outta my head
How in the world will I begin
To let you walk right out my life
And blow my heart away

And I cant stop carin about
About the apple of my eye
And I cant stop doin without
Without the center of my life
And I cant get you outta my head
And I know I cant pretend
That I wont die if you decide
You wont see me again

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear I love you now and then
Will I never make love to you once again
Please understand if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again
Breathe again
That I shall never breathe again
Breathe again

And I cant stop thinkin about
About the way my life would be
No I cant stop thinkin about
How could your love be leavin me
And I cant get you outta my mind
God knows how hard I tried
And if you walk right out my life
God knows Id surely die
And I cant stop doin without
Without the rythm of my heart
No I cant stop doin without
For I would surely fall apart
And I cant get you outta my mind
Cause I know I cant deny it
And I would die if you decide

You wont see me again

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear I love you now and then
Will I never make love to you once again
Please understand if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again
Breathe again
That I shall never breathe again
Breathe again
