

Heavy Duty

Chuck Prophet

A man's strength is on the inside
Way down deep
I know you can't see it
When you're looking at me
But when I tell you I've got, I've got it
It ain't going nowhere
I don't know where it comes from
I don't even care
You're gonna have to dig deeper
If you want a better look
But you better be careful with this stuff
Oh oh oh, heavy duty
Ooh ooh, heavy duty
Yeah you better be careful with this stuff
You can't bottle or can it
Or pick it off the shelf

It's strictly organic
In fact it's good for your health
So listen up everybody
Tell all of your friends
It's flying out the door
Just as fast as we can bring it in
I'll be your walking sugar dumpling
Spread it all around
But you better be careful with this suff
Oh oh oh, heavy duty
Ooh ooh, heavy duty
Yeah you better be careful with this stuff
Come on, come on and get it
Come on, come on and get it
Come on, come on and get it
