

# Something May Catch Fire

Chuck Ragan

1, 2, 3, 4!

She said, "Lay down, we only have 'til midnight  
To leave this town and wander far from home  
But I don't know when again I'll have you  
So rest your soul, and lighten your load"

We can do some damage, 'fore the hour's handed  
Over to us baby, shake it up and maybe  
Something may, something may catch fire

She said, "Lay down, we only have 'til midnight  
'Til we break out, and cut our trails on our own  
You wanna burn this town and leave a mark to remember  
Where we came from, where we are, and how do we walk"

Take me into that wonderful rock  
Come on, hit me with all that you've got  
Let me hear your shout-outs to long-gones  
The covers, the time always out

It ain't nothing, baby, it ain't nothing  
It ain't nothing, baby, it ain't nothing  
It ain't nothing but a good time alone

It ain't nothing, it ain't nothing  
It ain't nothing, it ain't nothing  
It ain't nothing, it ain't nothing  
It ain't nothing, it ain't nothing, ooh  
It ain't nothing but a good time alone, yeah  
It ain't nothing but a good time alone
