I remember very first time in love
I remember oh oh
I remember oh oh
Do you feel the same way? So I'm in love
I remember oh oh
I remember oh

Oh my, am I allowed to feel like this?
Because of you, every day is so nice

Though it seems like I'm rushing it baby
I need your love oh oh
I need your love oh oh oh

My heart drops, so sweetly
Sometimes, I worry that I'll get hurt
I won't be able to know everything from the start
But I want to give it a shot

Such a breathtaking feeling
A dangerous feeling
Hold tight to my hand, I want you
So I won't shake, with more passion
Hug me tighter

You're a roller coaster ooh ahh
Roller coaster uh woh ahh
I need your love ooh ahh
Baby your love uh woh ahh

When you stare at me, my heart trembles

I try to act like I'm not, but it's obvious
Even though I don't say it, you already know
You feel the same way as me

I wonder if this is too fast
But because of you, each day feels so new

Even if I'm rushing it, close your eyes baby
I need your love oh oh
I need your love oh oh oh

Like time has stopped, so sweet
Sometimes, I worry that you'll leave me
I won't be able to know everything from the start
But I want to give it a shot

Such a breathtaking feeling
A dangerous feeling
Hold tight to my hand, I want you
So I won't shake, with more passion
Hug me tighter

You're a roller coaster ooh ahh
Roller coaster uh woh ahh
I need your love ooh ahh
Baby your love uh woh ahh

My love, you found me
I love you I love you
I hope this isn't just a dream
I love you I love you
