

Sleigh

Chung Ha

It's so cold outside
Makes me wanna cuddle up
Get cozy by the fire
With you

Christmas has arrived
Baby check your wish list
'Cause I'll scratch it off tonight
It's true

I got your favorite treat
You know you need that taste
Hot like a peppermint tea
Sweeter than candy cane

Even if the tree is empty
I know what you're gonna tell me

You say I'm a gift
I say yeah, I know
I sleigh
Head to mistletoe
Blushin' jolly cheeks
Kissing in the snow
I sleigh
Head to mistletoe

Ho ho ho
I'll be your Santa for tonight
Make a wish and close your eyes
I'll be your magical surprise
Lil naughty, lil nice

You fa la la la love me
('Tis the season to be jolly)
You wrap your arms around me
Yeah, you melt my heart again

I'm the snowflake
Call me yours
Won't you take me?

On this holiday, babe
What you waiting for?
Tie me in a bow

I got your favorite treat
You know you need that taste
Hot like a peppermint tea
Sweeter than candy cane

Even if the tree is empty
I know what you're gonna tell me

You say I'm a gift
I say yeah, I know
I sleigh

Head to mistletoe
Blushin' jolly cheeks
Kissing in the snow
I sleigh
Head to mistletoe

Ho ho ho
I'll be your Santa for tonight
Make a wish and close your eyes
I'll be your magical surprise
Lil naughty, lil nice

(Ohh ohh)
Call me if you're looking for that winter miracle
(Ohh ohh)
Promise I won't leave your
Loving strung out in the cold

Each year, I swear
I'll take good care
Of your heart skipping a beat, keep me close
(Ohh ohh)
Baby, tell me what you need

You say I'm a gift
I say yeah, I know
I sleigh
Head to mistletoe
Blushin' jolly cheeks
Kissing in the snow
I sleigh
Head to mistletoe

Ho ho ho
I'll be your Santa for tonight
Make a wish and close your eyes
I'll be your magical surprise
Lil naughty, lil nice
