Mon, Tues, Wed, Thurs, Fri, Sat, Sun
Where am I? Day after day, if only I can hold onto it
Until when will I be left here alone?
Another day passes and I fall asleep

All day, I'm standing in front of the mirror
With the same face
With the same voice
I sang all day
Lalala lalala

I open my eyes

But the lights are still off in my room
Will it come true? Far away

Everyone has left
I'm alone in this empty room
Without knowing anything
Again I

Mon, Tues, Wed, Thurs, Fri, Sat, Sun
Where am I? Day after day, if only I can hold onto it
Until when will I be left here alone?
Another day passes and I fall asleep

Faces I miss
Do they feel the same way?
If I hope they are the same
Is that being greedy?

If I
Toward somewhere
If I'm running
If I really wanted it

Out of the countless stars
If only I could hold one
Is that another greed?
Like that one, twinkling over there

I open my eyes
But the lights are still off in my room
Will it come true? Far away

On top of the moon
Let's lock eyes
Hold out your hand to me
On this night that isn't lonely

Mon, Tues, Wed, Thurs, Fri, Sat, Sun
Where am I? Day after day, if only I can hold onto it
Until when will I be left here alone?
Another day passes and I fall asleep
