Woo yeah yeah woo

Even if I try my best all day
All I do is go around and around
It only gets more frustrating
So dizzy, dizzy
Every step is more dangerous
Close your eyes tightly

I just woke up from a deep sleep
And spread my wings for the first time like a butterfly
The only stage for me
Under this bright shining light, oh I'm flying

Follow my heart that explodes, boom boom boom
The whole world is following me, zoom zoom zoom
It's starting, where I meet my dream of the wow thing
It made me into something I wasn't before, the wow thing
I'm cooler than anyone else, wow wow thing

Ba dam bo bomb
Ba dada da dada da da da
Ba dam bo bomb
Ba dada da dada da da da
Ba dam bo bomb
Ba dada da dada da da da

Things that are so cool, so cool will happen, I guess
You'll start to see my name everywhere now
I guess it's like when I saw it as a childhood dream
Adding more skills

One at a time to my dream that was once at 0 points
That's right, those young
Thoughts have now become a reality, and it'll be everlasting
Hey hey, everyone will be surprised by that wow thing
Finally it's come to life, my wow thing

I opened my eyes
Waiting late at night like a white butterfly
I spread my wings
That were once soaked, I'm flying now

Follow my heart that explodes, boom boom boom
The whole world is following me, zoom zoom zoom
It's starting, where I meet my dream of, the wow thing
It made me into something I wasn't before, the wow thing
I'm cooler than anyone else, wow wow thing

More cooler than anyone, anyone, anyone else
Shining brighter than anyone, anyone else
More higher than anyone, anyone, anyone else
Flying higher than anyone, anyone else

After being blocked by a wall all day
I can fly now at the day's end
I see the time, it's 0:00*
Get drawn into my pounding heart
The shining wow wow ting

Follow my heart that explodes, boom boom boom
The whole world is following me, zoom zoom zoom
(Hoo zoom zoom zoom zoom)
It's starting, where I meet my dream of the wow thing
(Wow thing)
It'll be like something you've never seen before, the wow thing
I'm cooler than anyone else, wow wow thing

More cooler than anyone, anyone, anyone else
Shining brighter than anyone, anyone else
More higher than anyone, anyone, anyone else
(It's starting, where I meet my dream of the wow thing)
Flying higher than anyone, anyone else
