

Insanity

Chunk! No, Captain Chunk!

It all started with the worry that I had
I couldn't get it out, get it out of my mind

I don't know where to go cause it brings me down
And it's driving me crazy

Let it out let it take over your brain
Should I feel, should I feel that way

I lost this game
Well I think I'll go insane

I'm such a freak, I'm such a creep
There's no good way to deal with me
Something special in my mind
Is taking over to reveal my best side

Oh well, I don't want to hide it anymore
Its killing me inside, inside my fucked up mind

Now I know where to go
Cause it feels just right

I've never felt it so alive
Cause I'm dead on the inside
I will, I will
Never be the same again

Let it out, let it take over your brain
Should I feel, should I feel that way

I lost this game
Well I think I'll go insane

I'm such a freak, I'm such a creep
There's no good way to deal with me
Something special in my mind
Is taking over to reveal my best side

Can you see it in my eyes
Can you see that I am mad inside
I'm sick of pretending

I just wanna go insane
I will never be the same again
This is how I'm feeling

Can you see it in my eyes
Can you see that I am mad inside
I'm sick of pretending

I just wanna go insane
I will never be the same again

I'm going down I lost my mind
I'm givin up on myself
Can you see it now?

I'm such a freak, I'm such a creep
But I just love the way it feels
I took the leap what a relief
I cant forget the one I use to be
