

Now I'm running out of time
No regrets we have no time to wait
Why must you be the one

I can't believe how it feels
It's too dark to see
Something I had never seen before

Your beauty keeps me walking on
Now I'm running out of time
No regrets we have no time to wait
Why must you be the one

And this silence strips me bare
Her head's down, she waits impatiently

Your beauty keeps me walking on
Now I'm running out of time
No regrets we have no time to wait
Why must you be the one

You're not supposed to be that way
I will stand up straight and walk away

I'm sure I'll never live this one down
Maybe we're just drained
I'm running out of time

Sometimes I forget you're gone
No love lost
How could I justify this
There's no turning back
I'm running out of time
