

Chocolate

CHUU

You got chocolate
One one kind the hottest
You got everything I want and need

I'm blowing your mind
A marvelous creation
I'm tasting so good

I'm one of a kind
I'm playing with your patience
You know that I should
Let's go

Cause I be in a dream
In a sweet fantasy
And I be feeling so good
And if you wanna see
Sing to my melody
And have a little try tonight

Taste of something so sweet
On the tip of your tongue
I'm sweet like chocolate
I'll be your little treat
I could melt in the sun
I'm sweet like chocolate

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate

Yeah you know
The pressures on
Know you like when I sing this song
I'm the queen and you like King Kong
I know I can tame you

Stuck in your teeth got what you need
Boy you addicted to me
I'm in a white limousine yeah you be cruising with me (Cruising)

Cause I be in a dream
In a sweet fantasy
And I be feeling so good
And if you wanna see
Sing to my melody
And have a little try tonight

Taste of something so sweet
On the tip of your tongue
I'm sweet like chocolate

I'll be your little treat
I could melt in the sun
I'm sweet like chocolate

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate

I'm sweet, I'm sweet like chocolate
Like sugar on your lips
A taste you can't forget (No you can't forget)

Take a bite take a bite take a bite
Everyday everyday everynight
What you like what you like what you like?
I'll bring all the flavors

Taste of something so sweet
On the tip of your tongue
I'm sweet like chocolate (Like chocolate like chocolate)
I'll be your little treat
I could melt in the sun
I'm sweet like chocolate (Let's go let's go)

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate

(Ohhhh)
Sweet like chocolate
I'm sweet like chocolate
I'm sweet like chocolate
