When I saw you from afar
I thought about going the other way
But I wanted to see how you'd seemed to have changed
And thought maybe I'll greet you briefly

As I approached you step by step with a pounding heart
Someone else put a hand on your shoulders
Your angry expression changed to a smile
And the two of you passed me by

Now you've become two
Watching you, seemingly having forgotten me
I'm lonelier & emptier now than when I was one
Maybe because of the half of me that you took with you
That's why you could become two

When I saw you from afar
I thought about going the other way
But I wanted to see how you'd seemed to have changed
And thought maybe I'll greet you briefly

As I approached you step by step with a pounding heart
Someone else put a hand on your shoulders
Your angry expression changed to a smile
And the two of you passed me by

Now you've become two
Watching you, seemingly having forgotten me
I'm lonelier & emptier now than when I was one
Maybe because of the half of me that you took with you
That's why you could become two

To you now, it must sound like an excuse
After I sent you away, I was always alone

Now you've become two
Watching you, seemingly having forgotten me
I'm lonelier & emptier now than when I was one
Maybe because of the half of me that you took with you
That's why you could become two

Now you've become two
