0000 0 (oh yeah yeah yeah yeah)

0 00 000 000 00 00 0

0000 0000 00 00 00 00 0000 000 000 00

Hey hey We got a step to move

Waves hitting you
It will disappear soon yeah
Here I am, holding your hand
Right here
Right now
With you

You and I look different, baby I don't care (Who cares? who cares?)
Let's wave groovy on rhythm
(Be alright)
Don't worry, now let's start here
One step
One move
With you

Sing like flowers bloom
Dance like we're flying
Let's get close to each other step by step
Now, step to move

World is one, wow wowowo (World is one)
Wow wowowowo
World is one, wow wowowo (World is one)
Remember (yeah) world is one

I used to run from my problems They'd always catch up to me yeah

Got rid of fear and I solved em all end  $\operatorname{Now}$  I could face anything yeah

We can make a change as we believe (We can! we can!)
Crisis is chance to us (Get the chance)
Oh, we look at each other
We become one
(Be with you)

Sing like flowers bloom
Dance like we're flying
Let's get close to each other step by step
Now, step to move

World is one, wow woowowo
(World is one)
Wow woowowowo
World is one, wow woowowo
(World is one)
Remember (yeah) world is one

This is true
Our little steps
Make the world move
And make the world beautiful (oh yeah)
Shining sun for you
Is very bright yeah

Sing like flowers bloom
Dance like we're flying
Let's get close to each other step by step
Now, step to move

World is one, wow woowowo
(World is one)
Wow woowowowo
World is one, wow woowowo
(World is one)
Remember (yeah) world is one
