

# Clearest Blue

CHVRCHES

Light is all over us  
Like it always was  
Like it always was  
Shaped, by the clearest blue  
But it's not enough  
It's not enough, not enough

Just another time I'm caught inside  
Every open eye  
Holding on tightly to the sides  
Never quite learning why  
You'll meet me, you'll meet me  
You'll meet me halfway

Whenever I feel it coming on  
You can be well aware  
If ever I try to push away  
You can just keep me there  
So please say you'll meet me  
Meet me halfway  
You'll meet me  
Meet me halfway

Tied, to the shifting ground  
Like it always was  
Like it always was  
You, were the perfect storm  
But it's not enough, it's not enough  
Not enough, not enough

Just another time that I go down  
But you are keeping up  
Holding to a hope you'll undermine  
Never to be reversed

Just another time I'm caught inside  
Every open eye  
Holding on tightly to the sides  
Never quite learning why

Whenever I feel it coming on  
You can be well aware  
If ever I try to push away  
You can just keep me, tell me

Tell me, tell me you'll meet me  
Tell me, tell me you'll keep me  
Tell me, tell me you'll meet me  
Will you meet me more than halfway up?

Shaped by, clearest blue  
Shaped by, clearest blue  
Shaped (Will you keep it half-a-way?) by, clearest blue (Will you keep it half-a-way?)  
Shaped (Will you keep it half-a-way?) by, clearest blue (Will you keep it half-a-way?)
