

# Now Is Not the Time

CHVRCHES

Vicious one how ever did you find me?  
Time is wasted, words are cheap  
Now it seems that we are not crazy  
And lovers sow what lovers reap

Nothing now can ever come between us  
As we hide and watch the city burn  
There is much that I still want to tell you  
But now is not the time to speak of love

Beckoning to me  
More than memory  
Words are useless here  
Until you are near

Live in fear I cannot be your savior  
There is no violence in your heart  
Warriors are both time and patience  
But you and I are worlds apart

We all, we all, we all saw the light  
We are, we are, we are first and right

Nothing now can ever come between us  
As we hide and watch the city burn  
There is much that I still want to tell you  
But now is not the time to speak of love

Beckoning to me  
More than memory  
Words are useless here  
Until you are near

Beckoning to me  
More than memory  
Words are useless here  
Until you are near
