

# Hey?

Chxrlotte

Hey there, how've you been?  
I'm just checking in I guess  
It's been a while, I know  
But I've been so depressed

So what's going on?  
Everything's gone wrong for me  
I never thought that I could fall so easily

In time I'll be alright  
I've been alone the longest time and I  
Guess I'm really tired of feeling tired

All these days have gone to waste  
Watching sunsets fade to grey  
And I'm not sure that I like who I am today  
So I'll say  
No it's alright I'm okay  
It's not important anyway  
And it's so hard for me to find the words to say  
So I say hey

Hey there, how've you been?  
I'm just checking in again  
I could've seen you but I just stayed home instead  
I just disappeared  
Nothing new has happened here  
I guess it's been a rollercoaster of a year

In time we'll be alright  
We've been alone the longest time and I  
Guess we're really tired of feeling tired

All these days have gone to waste  
Watching sunsets fade to grey  
And I'm not sure that I like who I am today  
So I'll say  
No it's alright I'm okay  
It's not important anyway  
And it's so hard for me to find the words to say  
So I say hey

Doo doo doo doo doo (so I say hey)  
Doo doo doo doo doo doo (so I say hey)  
Doo doo doo doo doo doo doo (ooh, so I say hey)  
Doo doo doo doo doo doo (so I say hey)  
Doo doo doo doo doo doo (so I say hey)  
Doo doo doo doo doo doo doo (ooh) so I say hey
