

Hello Gorgeous

Cian Ducrot

You don't believe
That you need to stay right here, right here
He takes what he needs
While you're on your knees, oh dear, oh dear
Why do we always second guess ourselves?
Why do we always run against ourselves?

So hello gorgeous
What you crying for?
'Cause he's not meant for you
And you've been here before
So hello gorgeous
What you waiting for?
'Cause he's not meant for you
And you've been here before

You don't pretend
'Cause he knows the way it goes, it goes
So you close your eyes
While he turns your heart to stone
Now you're so cold
You try but you can't seem to get away
You're stuck inside some sort of sick game

So hello gorgeous
What you crying for?
'Cause he's not meant for you
And you've been here before

So hello gorgeous
What you waiting for?
'Cause he's not meant for you
And you've been here before
You've been here before
You've been here before

So hello gorgeous
What you crying for?
'Cause he's not meant for you
And you've been here before
You're so gorgeous
What you waiting for?
'Cause he's not meant for you
