

Little Dreaming

Cian Ducrot

One, two, three, four (Ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)

I've got glitter in my tears and mascara on my face
I've got sequins all the way from my collar to my waist
Got a wave of iridescence painted on my nails
And I like it when you look, and you look a little pale

Oh, I don't care if you like it
'Cause I

You know that I can't stop this feeling
You know I've never, ever felt so good
There's nothing wrong with a little dreaming
A little dreaming can make you feel so cool

Hey
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)

I can take it full Picasso
I don't care who wore it first
If it's drunk tank pink
If it's his or it's hers
I can wear my favourite pearls like all my favourite girls
If it looks good on them, then I can make it work

Oh, I don't care if you like it
'Cause I

You know that I can't stop this feeling
You know I've never, ever felt so good
There's nothing wrong with a little dreaming
A little dreaming can make you feel so cool

Hey
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da)
(Ooh-ooh, ooh-ooh)

I like that dress
You look fine
I'm such a mess
By design
You know I promise
I promise I'll be honest tonight
I see that
Glint in your eye
Why don't we give it a try
You know I promise
I promise I'll be honest tonight

You know that I can't stop this feeling
You know I've never, ever felt so good

There's nothing wrong with a little dreaming
A little dreaming can make you feel so cool

(Ba-da-da-da-da, ba-da-da-da-da) Woo
(Ba-da-da-da-da, ba-da-da-da-da) A little dreaming can make you feel so cool
(Ba-da-da-da-da, ba-da-da-da-da)
(Ba-da-da-da-da, ba-da-da-da-da) A little dreaming can make you feel so cool
(Ooh-ooh, ooh-ooh)
