You're all I want, you're all I need
I hate it when we go
Promise you'll miss me when I'm gone
I don't wanna make you wait too long

Be right back, huh huh
Be right back, huh huh
Be right back, huh huh
Be right back, huh huh

Promise you'll miss me when I'm gone
I don't wanna make you wait too long

Be right back, huh huh
Be right back, huh huh
Be right back, huh huh
Be right back

Thinking about you on and on
I need a taste, can't wait too long

Uh, uh, uh, let's go
Uh, uh, uh, let's go

Heart racing on a Friday night, uh
Hurry back and turn down down these lights, uh
Anticipation got my mind tied up, uh
I wanna see you, baby, I gotta see you, baby

You're all I want, you're all I need
I hate it when we go
Promise you'll miss me when I'm gone
I don't wanna make you wait too long

Be right back, huh huh
Be right back, huh huh
Be right back, huh huh
Be right back, huh huh

Promise you'll miss me when I'm gone
I don't wanna make you wait too long

Be right back, huh huh
Be right back, huh huh
Be right back, huh huh
Be right back

Thinking about you on and on
I need a taste, can't wait too long

It's time to ride out
Ride out
Party
Party
Shake it
Shake it
That booty

That booty

It's time to ride out
Ride out
Party
Party
Shake it
Shake it
That booty
That booty

All I wanna do
Is slide all night with you
And all I wanna see
Is you slidin' with me

It's time to ride out
All I wanna do
Is slide all night with you
Party, shake it, that booty
It's time to ride out
And all I wanna see
Is you slidin' with me
Party, shake it, that booty
