

Drop Your Love

Ciara

Drop your love, baby (Drop)
I'm tryna see it
On my way, baby
To you, to you, to you, to you
Drop your love, baby (Drop)
It's how ya treat it
On my way, baby
To you, to you, to you, to you

Boy, you got me in my feelings, and I'm wit' it (And I'm wit' it)
And I don't really care about the critics tonight (Oh boy)
When ya love drop, it hit different when we kissing (When we kissing)
It's the everything for me you be giving, you mine (Oh boy)

I'ma slide in the name of love (In the name of love)
I'ma put in time in the name of love (In the name of love)
Drive a thousand miles in the name of love, oh
Three hundred sixty-five in the name of love
All I need for you to do is

Drop your love, baby (Drop)
I'm tryna see it
On my way, baby
To you, to you, to you, to you
Drop your love, baby (Drop)
It's how ya treat it
On my way, baby
To you, to you, to you, to you

Uh, beep-beep, I'm 'bout to pull up in the AMG
Ooh-wee, your voice is sweeter than a melody
Saucy, I love the way you put it down
Yeah, daddy, you be showing out
Uh, easy, brrrt-doot-doot-doot like a .223
CiCi, this ain't Chanel, nah, baby, it's all me
We be moving the couches in the house
We in the kitchen getting wild

I'ma slide in the name of love (In the name of love)
I'ma put in time in the name of love (In the name of love)
Drive a thousand miles in the name of love, oh (In the name of love)
Three hundred sixty-five in the name of love (In the name of love)
All I need for you to do is

Drop your love, baby (Drop)
I'm tryna see it
On my way, baby
To you, to you, to you, to you
Drop your love, baby (Drop)
It's how ya treat it
On my way, baby
To you, to you, to you, to you

Alright now
This that sweet part right here, uh-huh
When you let your love drop down, yeah
From the East side to the West side

South side, North side
Here we go
One, two, three, let's go
Now slide like this, come on (Slide)
And then slide like this, uh-huh (And then slide)
And then drop like this, uh-huh (Drop)
And then drop like this (And then drop)
Everybody now slide like this, come on (Go CiCi, go, go)
And then slide like this, come on (Go CiCi, go, go)
And then drop like this, uh-huh (Go CiCi, go, go)
And then drop like this, aye (Go CiCi, go, go)

Slide
Everybody just slide, come on
Everybody just slide, come on
Everybody just slide, uh
A-break it down, don't stop, come on
A-break it down, don't stop, come on
And just slide, don't stop, come on
A-just slide, don't stop, come on
Ow
