

Forever

Ciara

They say nothin' in this life is forever, forever
I don't want it if it isn't forever
Ever, real talk

Everyone's hatin', goin' half on baby
And they think I'm crazy 'cause one night only can't be enough
Some say I'm hatin' because I been sayin'
Love is amazin', I know I'm not the only one

Who don't wanna grow old together
If I'm trippin', let me know (Let me know)
One plus another one is better than
Spendin' all your time alone

They say nothin' in this life is forever (Ever, ever)
Forever (Ever, ever)
Forever (Ever, ever)
I don't want it if it isn't forever (Ever, ever)
Forever (Ever, ever)
Forever (Ever, ever)
If it ain't forever, it's whatever

Ooh, ooh, ooh
Ooh, ooh, ooh
If ain't forever, it's whatever
Ooh, ooh, ooh
Ooh, ooh, ooh
If it ain't forever, it's whatever

You ain't gotta rush, it's fine, baby
I'm the one you take ya time with
Keep it fun, we gotta try shit
Made a bond we gotta die with
Head first, I done dived in
You the one, but really you a ten
I know my mind like, "Here she go again"
We ain't gotta stand out, we can blend in
I make sure to give you my attention
I know it won't stick unless it's meant to be
Late night phone calls, vent to me
All I really do is think about it
You know I got it handled, never doubt me
How you think this shit would be without me, really?

They say nothin' in this life is forever (Ever, ever)
Forever (Ever, ever)
Forever (Ever, ever)
I don't want it if it isn't forever (Ever, ever)
Forever (Ever, ever)
Forever (Ever, ever)
If it ain't forever, it's whatever

Ooh, ooh, ooh
Ooh, ooh, ooh
If ain't forever, it's whatever
Ooh, ooh, ooh
Ooh, ooh, ooh

If it ain't forever, it's whatever

Ooh, ooh, ooh

Ooh, ooh, ooh

Baby, you do somethin' to me

Ooh, ooh, ooh

Ooh, ooh, ooh

Baby, you're everything I need

All I do is think of you

I can't get you off my mind, yeah

If it ain't forever, it's whatever
