

# Get Loose

Ciara

Get your ass up on the floor

Hey bad bih' I know I see you  
Hot boys yeah I see you  
You wanna see some hot girl shit huh  
Well, here's a little preview  
Jingalingalingalingaling  
Stop the record let the singer sing  
I'm burning up you know I'm really on fire  
Popping like the grease on lemon pepper wings  
Twerking and I'm somebody daughter  
Coming straight out of Jakarta  
Ain't my fault dat your baby daddy looking  
He say he wanna be my baby father

Hey DJ run it run it back, uh  
That casamigo hit she don't no how to act, huh  
Asian white girl latino and black, huh  
Is only one thing to do on this track, uh

Get loose get loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Weather you sober or you gone off the juice  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
You wanna see a bad bitch, well, here's the proof

Why you here just to stand up in a section  
Shake that thang like you at your reception  
I'm trynna dance but no time to be texting  
You zoned out when you looking at my direction  
Oh, it's like you scared of me  
I need latto big big energy  
Order bottles we need champagne therapy  
Hijklmnop (what)

Tik tik tik tok  
I'm talking bout the app my cellphone is a watch  
I start to throw it back cause he say he like to watch  
This is what you do when the party don't stop

Get loose get loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Weather you sober or you gone off the juice  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
Get loose let loose let loose (let loose)  
You wanna see a bad bitch, well, here's the proof
