You just tryna catch a vibe, CiCi got you fascinated (Breezy)
Jump up in a brand new ride, BM-dub, we ridin' baby (Yeah)

You're my heart, I'm your rib
If I ever had to for you, I would do a bid
And I can tell that you're ready
Three, two, one, it's goin' down like confetti
Pour the ten to one shots again
If we film it on our phone, promise that we're gonna trend
