I Bet

Ciara

I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you

So I'm supposed to believe that it's Fellini's calling' your phone?
I'm supposed to believe that they're asking' you if you're home
I wasn't born yesterday, not me, can't get that over me, not me
I love you but I won't be a fool for you
That is just something' that I wouldn't do, babe
I mean I would stay if you could tell the truth
But you can't, no matter how much time I ask

Is that your bitch over there giving me the ugly stare
The one with the silicone ass, and the Brazilian hair
You ain't gon' respect me no no no 'til I'm not there
See, I got you comfortable, now you ain't really scared

But I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you

So you bought me a car, he can buy that too
I can take care of myself and I can find someone to do it too, baby
You actin' like you upgraded me, I upgraded you
You and me Fashion Week in Paris, I put you on to that new
But you took advantage oh, you took advantage, oh you took advantage
I cannot understand it, I cannot understand it, I cannot understand it
I thought you'd always be there for me, yeah yeah
But if you ask me if I knew better now, hell yeah

So you can keep that bitch over there giving' me the ugly stare
The one with the silicone ass, and the Brazilian hair
You ain't gon' respect me no no no 'til I ain't
[Acoustic version:] You ain't gon' respect me no no no 'til I'm not there
See, I got you comfortable, now you ain't really scared

But I bet you start loving me
Soon as I start loving someone else
Somebody better than you

I bet you start needing me soon as you see me with someone else
Somebody other than you
And I know that it hurts, you know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you

Baby, tell me what's it, gonna take to keep it
All the way one hundred
You won't get it 'til I'm gone away (away)

I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you

Oh oh oh oh oh oh oh
I hate, I hate that I'm singing this song, singing this song
‘Cause I love you
Yeah I love you

Oh-oh, oh-oh, oh-oh, oh-oh
I’m all cried out
I’m all tried out
I’m all fired out
Yeah

Right now it’s killing me
'Cause now I have to find someone else
When all I wanted was you.
