Yummy all in your tummy

Them old mistakes are gone

I won't do them no more

That's old news, there's new news

I done did that before

I turned them into something

My comeback on one hunnit

Less talking, more action

You just gon see Ci coming

I just keep elevating

No losses, just upgrading

My lessons, made blessings

I turned that into money

Thank god I never settled

This view is so much better

I'm chilling, I'm winning

Like on another level

Oh... you can talk all you want

See me, I see greater

Nothing I'm afraid of

And I can have it all

5, 4, 3, 2, 1

Leggo!

Watch me

Level up, level up

Level up, level up, level up

Level up, level up

Level up, level up, level up

All this on me so yummy

All this oh, so yummy

You know you want this yummy

Yummy all in your tummy

Level up, level up
Level up, level up, level up
Level up, level up
Level up, level up, level up
All this on me so yummy
All this oh, so yummy
You know you want this yummy
Yummy all in your tummy

Fake friends get dropped like weight
Team love, don't want no hate
I'm grinding, I'm shining
Up, up, up on my way
Thank god I never settled
This view is so much better
I'm chilling, I'm winning
Like on another level

Oh... you can talk all you want
See me, I see greater
Nothing I'm afraid of
And I can have it all

5, 4, 3, 2, 1

There's no one on it
Nah, nah, nah, ey

On another level
