

Love Sex Magic

Ciara

1, 2, 3..go..uh, yeah

Ciara

Sex

Ciara

Here we go

Talk to me

Touch is so magic to me, the strangiest things can happen

The way that you react to me I wanna do somethin you cant imagine, imagine

If it was a million me's talkin sexy do you like that

Give you an end though boy, if I give you my space and I need you to push it right back

Baby show me, show me whats your favorite trick that you wanna use on me

And ill volunteer, and ill be goin and goin to movin, this appears to nothin but shoes on me, Oh Baby

I'll make sure its just you in the crowd doin tricks you never seen

And I bet that I can make you believe in love and sex and magic

So let me drive my body around you, I bet you know what I mean

Cause you know that I can make you believe in love and sex and magic

Everyday aint what it seems, I wave my hands and I got you

And you feel so fine assist in me, but now its my turn to watch you, aint gon stop you

If you wanna grab my neck talk sexy do me like that

Just do what I taught you girl when I give you my heat, and I need you to push it right back

Baby show me, show me whats your favorite trick that you wanna use on me

And ill volunteer, and ill be goin and goin to movin, this appears to nothin but shoes on me, Oh Baby

I'll make sure its just you in the crowd doin tricks you never seen

And I bet that I can make you believe in love and sex and magic

So let me drive my body around you, I bet you know what I mean

Cause you know that I can make you believe in love and sex and magic
(Breakdown)

Now....this is the part where we fall in love (OhOhOh, Sugar)

Let's slow it down so we fall in love (OhOhOh), but dont stop whatcha doin to me

Uh.....Ciara.....Uh.....Bring it back

I'll make sure its just you in the crowd doin tricks you never seen

And I bet that I can make you believe in love and sex and magic

So let me drive my body around you, I bet you know what I mean

Cause you know that I can make you believe in love and sex and magic

(2x)

Uh, Yeah, Uh Uh Uh, Yeah I see you on the floor

Get it girl, Luv, Sex and Magic

I see you on the floor, You know what I mean

Get it girl, I bet that I can make you believe in love and sex and magic, Ow!

I see you on the floor, Get it girl..
