Oh, oh, oh  
Oh, oh, oh

Ooh, run it up  
Run it up, run it up, run it up, run it up  
Run it up

Bae, turn off that money counter, you know I love thumbing through it  
Run that sack up crazy, been done blow my ankle running to it  
I be spending twenties and fifties, I love to save the blues  
Hunnid racks in my backpack, I'm fresh like the first day of school (Big Za)  
I don't want no rental car, bae, let's pull something off the lot  
You with a boss now, bae, let's have sex on a yacht (Come here, bae)  
Moncler for the winter, steak and shrimp for dinner (Yeah, yeah)  
Two phones and a rental, and watch me

Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up  
Ooh, run it up  
Run it up, run it up, run it up, run it up  
Run it up

No matter how many points I put up on the board, just believe me, you know t  
hey gon' hate  
I'm in a league of my own, I'm a wife, I'm a mom, I go pick up my kids in a  
Wraith  
You ain't gotta worry, you know that we straight  
Got a little thicker, he gripping the waist  
For the paper like the bank, I'ma chase, yeah

Driving way too fast, I don't see no one in front of me  
Talking like you bad, then go and make another me  
Diamonds on my neck, I go Ricky when I step  
Run it up, run it up, run it up, run it up

Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up  
Ooh, run it up  
Run it up, run it up, run it up, run it up  
Run it up

Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up

Run it up  
Run it up, run it up, run it up, run it up  
Ooh, run it up  
Run it up, run it up, run it up, run it up

Get back up when they knock you down  
Thought you was gone, but you still around  
You on a whole 'notha level now  
We on a whole 'notha level now

Driving way too fast, I don't see no one in front of me  
Talking like you bad, then go and make another me  
Diamonds on my neck, I go Ricky when I step  
Run it up, run it up, run it up, run it up

Run it up, run it up, run it up, run it up  
Run it up  
Run it up, run it up, run it up, run it up
