# Secret

**Ciara**

Hey hey hey hey hey hey hey yulp hey hey hey hey hey hey hey yulp

He be on that hush yea thats that kush
Keep it on the low and he knows how to do it
Nobody knows cause its our little secret
He's a real G so he knows how to keep it
He's got his own spot that nobody knows about
We aint got to worry bout nobody comin over
Call his cellphone he'll be there when I need him
Creep on some evenings, chill on the weekends

Yeahhh yea this is how we take it, love it when we kick it
I wish that we could do this all the time, save up every minute
Whatever I'm wit it

As long as he knows to keep it on the hush hush hush hush hush hush hush hus
h hush
Nobody has to know just keep it on the low hush hush hush hush hush hush hus
h hush
We can do all the things we want just keep it on the low
Keep it, secret, keep it, secret, keep it, secret uhhh

My homegirls telling me I really wanna c him
Im tryna stick around cause she really wanna meet him
But im askin her what time is she leaving
Talk to you later girl you gotta go go go
She don't need to know know know
(oooh) and baby, (oooh) we're having so much fun
And baby,(oooo)creepin one-on-one
And maybe, we can ride off in your truck tinted windows cant see us while th
e beat is flowing to

Yeahhh yea this is how we take it, love it when we kick it
I wish that we could do this all the time (time), save up every minute whate
ver I'm wit it

As long as he knows to keep it on the hush hush hush hush hush hush hush hus
h hush
Nobody has to know just keep it on the low hush hush hush hush hush hush hus
h hush
We can do all the things we want just keep it on the low
Keep it, secret, keep it, secret, keep it, secret uhhh

Baby, Baby (oooh)
I want to see you
Where can I meet you
Baby coming through aye through aye oooh aye you aye
And aint many like you thats why I like you
Oh boy I'd like to be right beside you aye you aye you aye you
I cant wait

Yeahhh yea this is how we take it, love it when we kick it
I wish that we could do this all the time (time), save up every minute whate
ver I'm wit it

As long as he knows to keep it on the hush hush hush hush hush hush hush hus
h hush

Nobody has to know just keep it on the low hush hush hush hush hush hush hus
h hush
We can do all the things we want just keep it on the low
Keep it, secret, keep it, secret, keep it, secret uhhh
