

Speechless

Ciara

I just wish I had extra, extra everything

Trick, we did it again

Now I, I just wanna be wherever you are
And I will love you baby sun or rain
And I just wanna let you know that I will always be down
Boy I, I, I, I just wanna make you feel good
And I just wanna love you like you deserve
You'll never ever need for another girl

I'd need extra day on the week
An extra hour on the clock
Just to show you how beautiful you are
You're so good to me boy
You're so good to me
Yeah I'd need an extra month on the year
One extra holiday just to kiss you all over your face
You're so good to me boy
You're so good to me
You got me
I'm speechless
I'm speechless
Ahh, you got me speechless
I-I-I-I'm speechless I-I'm
What do I do baby

I just wanna pay to get your house fixed
Just wanna be the one that get your nails did
Just keep your money baby
I'll pay all the rent
Yeah, yeah, yeah
See I understand and I know you've been on your feet all day (yeah)
You need a man that when you reach for your money he say
Put that shit away (yeah)
You need a break baby (yeah) and I'm you break baby (yeah)
If love could talk, it would say you deserve it all

I'd need extra day on the week
An extra hour on the clock
Just to show you how beautiful you are
You're so good to me boy
You're so good to me

Yeah I'd need an extra month on the year
One extra holiday just to kiss you all over your face
You're so good to me
You're so good to me
You got me
I'm speechless
I-I-I'm speechless
Ahh, you got me speechless
I-I-I-I'm speechless
I'm speechless

I'm speechless
I-I-I'm speechless

Ahw, you got me speechless
I-I-I-I'm speechless

What do I do
See I'm thankful for every time you wash my clothes
Could have been anywhere in the world
But instead you right here on the road with me

I can't count every bill that you pay

And I can't forget when I didn't have it and you said

Baby, it's okay okay

It'll take forever to pay you back the love you gave
An extra day on my week
An extra hour on the clock
Just to show you how beautiful you are
Girl you're so good to me

Boy you're so good to me
I'd need an extra month on the year
One extra holiday just to kiss you all over your face
So good to me, you've been so good to me
So good
