Let me in your head, watch you learn some
Tryin' to see you sweat, watch you burn some

Yo, yo, I peep game cause I came with it
Uh, insure with a claim with it?
Some say that's pimpin' yo
Cause the boys in the black gear, getting my dough

Turn up, I'm going in, an we can let it all out on the floor
I show you how to march to my tempo

I be in a Interscope, like Aftermath
Get on the rose', do it the wrong way
Might do foreplay, after sex
They ask me, how I'm doing and I tell them
I'm very blessed, and that's CiCi, CiCi, and that CC
Me chest to chest, these pheromones no body odor
Carry on on my shoulder, LV the logo make your hair weave
Get done over, when she pop that, I rock back
Truck that, I rock back
Big stone, I cop that, don't act right, I want my rock back

You let me in your head, watch you learn some
Tryin' to see you sweat, watch you burn some
Let me in your head, watch you learn some
Tryin' to see you sweat, watch you burn some

I can teach you how to Pogo, how to Pogo, how to po-po-po-pogo,
How to pogo, how to pogo, how to po-po-po-pogo
How to bounce, how to bounce it, how to bounce it

Tryin' to see you sweat, watch you burn some
Let me in your head, watch you learn some
Tryin' to see you sweat, watch you burn some
