I was driving, cruisin' on the highway...  
It was a Friday, midnight, when he called me...  
I was thinking "HELL NO!"  
I already know what he wants: SURPRISE - SURPRISE  
So I changed plans and made some arrangements  
I won't be chasing, someone that's replacing, and..  
That's when I called my girls up..  
We about to hit the club up...

Tonight's the night (let's go..)

You can miss me all you want  
But I'm not coming over  
Tonight I'm doing me  
I'll call you in the morning (that's right)  
Hanging with my girls  
Until the break of dawn  
You can't tell me no  
'Cause I can do what I want

Tonight I'm having fun  
Tonight I'm going out  
Let's ride up in a party  
All night long  
I'm turning off my phone  
So we can get it on  
O-ooh, o-ooh, o-ooh

He kept sending e-mails  
Asking for details  
"When are you leaving?"

"When will you get here?"  
Kept calling my cell phone  
I send him straight to voice mail  
...leave a message {spoken}  
I usually call back  
This time I won't fall back  
I know what the real be  
You just wanna see me  
'Cause he wanna

Tap, to tap, tap, tap, tap (that booty)  
But he's not gonna get (that booty)  
If he think that it's like that (uh)  
He can think that's nothing

You can miss me all you want  
But I'm not coming over  
Tonight I'm doing me  
I'll call you in the morning (that's right)  
Hanging with my girls  
Until the break of dawn  
You can't tell me no  
'Cause I can do what I want

Tonight I'm having fun  
Tonight I'm going out  
Let's ride up in a party  
All night long

Take it to the flow, flow
