Ahh, yeah,  
Didn't thin you'd expect  
This one right?  
C Breezy  
Excuse me Mr. DJ  
You need to turn it up  
This song is fire  
I'm about to burn it up  
You ready, I'm ready  
Go right to the left  
If you get tired  
You fired  
So stay on track  
I'm a holla back

I'm too beautiful to be alone  
Take me to a place  
That only we know

Wats the deal bout  
What ya lookin for  
Know what ya need  
Baby come on

Be my DJ kinght  
Won't ya come n save my life  
You turn me on (on)  
Me on (on)  
Me on (on)  
But ya need a raw record  
With somethin unexpected  
To keep me goin (goin)  
Me goin (goin)
