Ciara

404 612, hand me the phone I put it in for you,  
Oh oh, ..By myself slow dancing to this song to this song  
See you watching baby, I'ma put you on  
Get up on me and I might just try ya on  
Tonight, you might just get this phone number

404 612, I need a phone I put it in for you,  
Write me, if you do it, I'll call you ..,  
I've been watching you for every since,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can try, you can try,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

So long I've been in love with you,

Long, long, long, long, long  
So long, long, long, long, long, long.

Try keep it 100 because I'm not with the games, no  
And I don't want run giving out brain, no  
Not trying be funny, it's just a side note  
I'm trying be funny, it's just a sign,  
otherwise I'm just falling for you,  
310 412, you got to selling out it the county number too, running into you ai  
n't no consequence  
Sung this part already  
.. but I sing it again

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can try, you can try,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

So long I've been in love with you,

Oh if you're ready to go,  
we can keep this thing off like first quarter  
Baby just let me know, We can slide up outta here, ride up outta here  
No pressure, no pressure  
Baby let me show my affection,

You can get it, you can get it  
You can get it, you can get it, boy

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
Baby, baby, you  
You can get it, you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,  
Baby you can get it,

You can get it, you can get it,  
You can get it, you can get it,  
You can get it, you can get it,  
So long I've been in love with you,

Long, long, long, long, long  
So long, long, long, long, long, long.
