

## Hearse

Ciaran Lavery

A name on my wall  
A heart in the dark  
You're a name on my wall  
And I'll take you  
I'll take you down

A hearse in my chest  
You're a hearse in my chest  
A lie on my lips  
And I'll talk you out  
I'll talk you out of there

A space on my page  
You're a space on my page  
A butt of my cigarette  
And I'll put you out  
I'll put you out for good
