

Ted Bundy Tapes

Ciaran Lavery

Red wine, cigarettes, Ted Bundy Tapes
A list of three things that helped me today
I heard that you lost your job again
This world has made us so precious and vain

We're out of time
We're out of time
We're out of time
We're out of time

The man on the TV is feeding me fear
He's well paid, he's well dressed, and he's feeding me fear
Well he can go fuck, he's not selling here
It's almost enough to bring you to tears

We're out of time
We're out of time
We're out of time
We're out of time
We're out of time
We're out of time
