

## Green Grass

Cibelle

Lay your head where my heart used to be  
Hold the earth above me  
Lay down in the green grass  
Remember when you loved me

Come closer don't be shy  
Stand beneath a rainy sky  
The moon is over the rise  
Think of me as a train goes by

Clear the thistles and brambles  
Whistle 'Didn't He Ramble'  
Now there's a bubble of me  
And it's floating in thee

Stand in the shade of me  
Things are now made of me  
The weather vane will say  
It smells like rain today

God took the stars and he tossed them  
Can't tell the birds from the blossoms  
You'll never be free of me  
He'll make a tree from me

Don't say good bye to me  
Describe the sky to me  
And if the sky falls, mark my words  
We'll catch mocking birds

Lay your head where my heart used to be  
Hold the earth above me  
Lay down in the green grass  
Remember when you loved me  
Remember when you loved me  
Remember when you loved me
