

## Welcome

Cibelle

The planet has crashed  
And all that's left is just a lamp of rock  
Floating in space  
With the jungle on top  
And the ocean dripping into nowhere  
And that's where you'll find the best show  
In a whole galaxy, of course  
Welcome to Las Vênus Resort Palace Hotel  
I am your host  
Sonja Khalecallon  
I hope you'll enjoy the show  
And please, don't feed the monkeys  
Have a pleasant stay
