

Check In

Cibo Matto

Be free for what you are
Be free where you are
Be free from this world
And she can ... me

Be free for what you like
Be free where you are
Be free ...
Ooh baby

All that I feel is phony
I wanna, I wanna, I wanna feel phony
I wanna, I wanna-na
All that I feel is phony
I wanna, I wanna, I wanna feel phony

She was fucking weird
Why was she staring at me like that?
Why is she staying here?

Be free for what you like
Be free where you are
Be free from this world
And she can ... me

Who is watching me now
Who is touching me now
Do you believe in love
Ooh baby

I wanna, I wanna.

She was fucking weird
But I can't stop thinking of her
She disappeared
I guess
I got to keep
Falling (phoning)
