

Don't Like To Be Alone

Cierra Ramirez

Something's gotten into me
I'm starting to hate that thing you do to me
Should've broke the ice, now you know
That I'm just way too cold
Drunk on insecurity

You say that you want me, you need me
I should but I won't make it easy
I wanna but you're close to my demons
They're right where you can see them, too

I don't like to be alone, oh uh
I don't like to be alone
But we can't have everything we want

I don't like to be alo-oh-one (oh), oh-oh-one
(Oh) oh-oh-one
But we can't have everything we want

Something's gotten into you
You want me to be everything you're used to
I can compromise but you know
That I'm just way too cold
Drunk on insecurity

You say that you want me, you need me
I should but I won't make it easy
I wanna but you're close to my demons
They're right where you can see them, too

I don't like to be alone, oh uh
I don't like to be alone
But we can't have everything we want

I don't like to be alo-oh-one (oh), oh-oh-one
(Oh) oh-oh-one
But we can't have everything we want
I don't like to be alo-oh-one (oh), oh-oh-one
(Oh) oh-oh-one
But we can't have everything we want

You say that you want me, you need me
I should but I won't make it easy
I wanna but you're close to my demons
They're right where you can see them, too
I don't like to be alone (oh oh)

I don't like to be alo-oh-one (oh), oh-oh-one
(Oh) oh-oh-one
But we can't have everything we want
I don't like to be alo-oh-one (oh), oh-oh-one
(Oh) oh-oh-one
But we can't have everything we want

I don't like to be alone
