

# Liquid Courage

Cierra Ramirez

Me plus this bourbon and whiskey will bring out the truth  
Cause over me lying will tell me I'm not sick of you  
You got something over me  
You just don't know what to do  
I mean I could say it  
But do you know the language

All these drugs that I'm tryin'  
Turn the ceilings to diamonds  
I just want to be right with your body on me  
All these shots that I'm takin'  
Makes your skin feel like Vegas  
Let's pretend like we're strangers

I just want you to love me better  
I just want you to love me better  
I've been drinking our liquid courage  
Solo quiero que tú, tú me ames  
All you gotta love me, love me, love me, love me, love me better  
All you gotta love me, love me, love me, love me, love me better

They say that the bad ones that tell all the good ones the truth  
Usually in I close but I'll tell you it's cool  
I found religion but tonight I break all the rules  
Don't care how you take it  
Cause I'm f\*ckin' wasted

All these drugs that I'm tryin'  
Turn the ceilings to diamonds  
I just want to be right with your body on me  
All these shots that I'm takin'  
Makes your skin feel like Vegas

Let's pretend like we're strangers

I just want you to love me better  
(A mi mucho más)  
I just want you to love me better  
(Hacerme mi la amor)  
I've been drinking our liquid courage  
(Liquid courage)  
Solo quiero que tú, tú me ames

All you gotta love me, love me, love me, love me, love me better  
All you gotta love me, love me, love me, love me, love me better  
A mi dame mas y, mas y, mas y, mas de lo qué haces  
A mi dame mas y, mas y, mas y, mas de lo qué haces

All these drugs that I'm tryin'  
Turn the ceilings to diamonds  
I just want to be right with your body on me  
All these shots that I'm takin'  
Makes your skin feel like Vegas  
Let's pretend like we're strangers

I just want you to love me better  
I just want you to love me better

I've been drinking our liquid courage  
Solo quiero que tú, tú me ames

All you gotta love me, love me, love me, love me, love me better  
All you gotta love me, love me, love me, love me, love me better  
A mi dame mas y, mas y, mas y, mas de lo qué haces  
A mi dame mas y, mas y, mas y, mas de lo qué haces
