

These Chances

Cigar

Bleeding me on borrowed time. Knowing once again those hidden goals. Seeding
Need, the follow signs. Showing once again what you thought you
'd known
These, these chances. The ones that find us and leave us on our
own. These
These chances. The ones that find us and lead us from our known
...our known
One of three, another child. Justified from all the rest who've
grown. Don't
Believe to reconcile Is given call to topple from the throne
These, these chances. The ones that find us and leave us on our
own. These
These chances. The ones that find us and lead us from our known
our known

Don't just say there's help when clearly there is none. Half the
time the
Work is never done. To rent the time, fill space, from the empty
one. To fall
In line...the last of everyone
These, these chances. The ones that find us and leave us on our
own. These
These chances. The ones that find us and lead us from our known
These, these chances. The ones that find us and lead us from our
