A gentle breeze blows my body away
Shall we go somewhere together?
Twinkle, twinkle, my little star (La-la-la)
Today, you and I are the main characters, special day
I like the permeating scent, one that only we know
Look at the sky, my eyes sparkle and shine

Fill me up like a destiny
It's dazzling, color me with a magnificent light
I can't believe it, thank you for coming to me
I shout so that my earnest heart can be heard

Even if it's a dream, it's fine
Oh, oh, this perfect moment
Aurora

Come here, yah, yah
Come to me, yah, yah (Aurora)
It's the time for just the two of us
Don't hesitate anymore
Yah, yah, yipee, chi-chi-ta
It's just the two of us right now
Follow me faster, faster
Tonight is a cool night

Auro-ro-rora, auro-ro-rora
Just the two of us
Auro-ro-rora, auro-ro-rora
Let's go see it together

The green light surges like the wave
A fleeting moment, dizzying sympathy, my heart is melting (Melting)
After tonight, I might never see you again
No regrets, let me be with you, the green sapphire spread all over my heart
I'm happy to be with you, it's my first time feeling this
The fantasy of you and me spread beyond time

Fill me up like destiny
Color me with the light of fantasy in the dark
I can believe it, come to me now and promise me
Can you hear my trembling voice?
Even if it's a dream, it's fine
Oh, oh, this perfect moment
Aurora

Come here, yah, yah
Come to me, yah, yah (Aurora)
It's the time for just the two of us
Don't hesitate anymore
Yah, yah, yipee, chi-chi-ta
It's just the two of us right now
Follow me faster, faster
Tonight is a cool night

Auro-ro-rora, auro-ro-rora
Just the two of us
Auro-ro-rora, auro-ro-rora
Let's go see it together

Transparently (The light inside you)
Lies a little secret beautifully hidden
Stay by my side, I want to know everything about you
Gather all my earnest hearts
Let me tell you everything
It's like a dream, it's the perfect moment
Shine the light

Aurora
