So I call you my boyfriend  
Let's Go

My heart is twisted and tangled  
Sometimes I shed tears  
One cause of the messed up mood  
Boy, it's you, it's you

What makes it even more crazy  
Knowing you  
And in the end I dial your number  
Yeah, I'm fool, I'm fool

Oh, it's so tragic  
You are infinitely harmful  
Why is it good, I

You're such a bad boyfriend, boyfriend  
Boyfriend playing with me, boyfriend  
You play easily, easily

Soothe me when I get angry and cry

So, I call you my boyfriend, boyfriend  
Yeah, I call you my boyfriend, boyfriend  
The whole world curses, curses  
I still want you like a fool  
Boyfriend, boyfriend, oh

Your habitual dive  
I'm on a phone call  
What the hell am I supposed to do with you  
Think about it, oh, today too

Your timing is always so perfect  
The moment I thought it was the end  
Kind words that were briefly thrown  
I'm deceived, deceived again

Why is it so sweet?  
I know it's a lie  
Go again, I

You're such a bad boyfriend, boyfriend  
Boyfriend playing with me, boyfriend  
You play easily, easily  
Soothe me when I get angry and cry

Boyfriend, boyfriend  
(Boyfriend)  
Yeah, I call you my boyfriend, boyfriend  
Everyone in the world curses, curses  
(Everyone curses)  
I still want you like a fool  
(I still like you)

I still love you  
It's because other people  
Don't really know you  
It's rough on the outside  
But not like that on the inside  
Come on

Whoa whoa oh oh oh  
I don't care  
What other people say  
Keep loving you

My one and only boyfriend, boyfriend  
My selfish boyfriend, boyfriend  
I can't let you go, I can't  
Angry and sad

So, I call you my boyfriend, boyfriend  
(Boyfriend, boyfriend)  
Yeah, I love you my boyfriend, boyfriend  
(Boyfriend, boyfriend)  
The whole world curses, swears  
(Swears, swears)  
I still want you like a fool

You're my boyfriend  
I can't let you go, I can't

So, I call you my boyfriend  
Let's go!
