Smooth sailing

Your eyes looking at me
I love you so much I'm dying

It's crazy, my heart tickles
This is destiny

You remain like a soft scent
Oh, what's the matter?
What have you done?
Your face lingers in my mind all night
Even in my dreams

Oh I love your mochi-like expression
You're so cute
Whenever you're dumbfounded
La la la la la la la
La la la la la la la la

I see you over there, glancing for no reason
I'm shy to pretend to recognize you first
A little closer, until you come to me yeah

Hi, I say "Hi" to you
Beating heartbeat
Afraid it will be heard, I turn away
What should I do?

Boy I'm singing
La la la la la la la la
My soft heart
Keep me singing
Oh, gimme more, gimme more
Baby, it's a simple game
You're next to me and I'm next to you
I don't need any more words
So, give your heart to me Yeah

It's smooth, smooth sailing
Permeates deeper
You're something different
Good, good feeling
Like it's about to touch or not, give me more

It's smooth, smooth sailing
Permeates deeper
Thinking about you, I feel like the whole world's mine
Smooth sailing

Listen to me
Heat in my heart is like a flame It has gotten bigger
The hidden truth is (Yeah)
I'm serious all day because of you
Ooh whoo

Oh, I never thought this would happen
Everyone who passes by you is my rival
You're mine, you will be mine
When I think of you, boy

I said I like you
But before you could react, I turned around
La la la la la la la
La la la la la la la la

I see you over there, glancing for no reason
I'm shy to pretend to recognize you first

A little closer until you come yeah

(Dazzlingly) with a bright smile
Beating heartbeat
Afraid it will be heard, I turn away
What should I do?

Boy I'm singing
La la la la la la la la la
My soft heart
Keep me singing
Oh, gimme more, gimme more
Baby, it's a simple game
You're next to me and I'm next to you
I don't need any more words
So, give your heart to me Yeah

It's smooth, smooth sailing
Permeates deeper
You're something different
Good, good feeling
Like it's about to touch or not give me more

It's smooth, smooth sailing
Permeates deeper
Thinking about you, I feel like the whole world's mine
Smooth sailing

Holding your heart
I'll talk to you
All night long
Your secret engraved on me
All the trivial things
In the cloud, in the sky, in my heart

Boy I'm singing
La la la la la la la la la
My soft heart
Keep me singing
Oh, gimme more, gimme more
Baby, it's a simple game

It's much more transparent than the sunlight
My heart will only go towards you
Show me all your heart

It's smooth, smooth sailing
Permeates deeper We're something different
Good, good feeling
Like it's about to touch or not give me more

It's smooth, smooth sailing
Permeates deeper
With only you, I feel like the whole world's mine
Smooth sailing
